

Disclaimer for the Electronic Inventory of Falls Prevention Programs, Services and Resources

This electronic inventory web site is provided for information only. It is not intended for the purpose of diagnosing or treating any health related condition or concern and is not medical advice. If you have a health condition or concern, we recommend that you consult a qualified Health Care professional.

At certain places on the web site, links to other Internet addresses may be accessed. These external Internet addresses contain information created, published, maintained or otherwise posted by institutions independent of this website. Therefore, we cannot guarantee that they are accurate or available and we assume no responsibility for the content of these sites.

The information on this site is assumed to be correct at the time of publication. However, changes in current research or other circumstances that may arise after the time of publication may impact on accuracy. Information presented on this site may change without notice and the Staying Independent Falls Prevention Coalition (SIFPC) is not liable for the accuracy of any information printed and stored or used externally in any way.

We invite anyone to visit our web site and to provide comments and feedback by using the feedback link located at the top right hand side of the home page. Our services are offered to the people of Simcoe County and the District of Muskoka. Therefore, we cannot respond to requests for information or resources outside our legislated boundaries. If you are looking for health information and reside outside Simcoe County or the District of Muskoka, we would encourage you to contact your local Health Unit.
